# Submission procedure for Special Issue in the International Journal of Approximate Reasoning

## Selected papers from the Third International Joint Conference on Conceptual Knowledge Structures (CONCEPTS 2026)

**Step 1**: Prepare your manuscript according to the author guidelines.

**Step 2**: Access Elsevier Editorial System: https://submit.elsevier.com/IJA/

You will be asked to login or create an account. Once you are logged in, you can start the submission process by clicking on "Start a submission".

This is a new submission service. Your feedback will help us improve it.

## Submit your manuscript

### Use this service to submit to International Journal of Approximate Reasoning

This is a new service for submitting manuscripts to *International Journal of Approximate Reasoning*. Our aim is to provide an easier submission experience for authors.

Start a submission | Complete a transfer

### What you will need:

- Your submission files for upload
- All your author and co-author details, including emails and affiliations
- Funder details

Read the *International Journal of Approximate Reasoning* guide for authors ↗

**Step 3**: After checking "I accept Elsevier's terms and conditions (…)", you will be able to proceed with the submission, by clicking "Start a new submission".

**Step 4**: Select the article type: "VSI: CONCEPTS 2026"

## Choose your article type

- ◯ Research Paper
- ◯ Commentary
- ◯ VSI: selected papers from SCAN
- ◯ VSI: ISIPTA 2025
- ⦿ VSI: CONCEPTS 2026
- ◯ VSI: ECSQARU 2025

Save and continue ⟩

**Step 5**: Proceed with the file upload. It is mandatory to upload the Manuscript file (in PDF format if prepared with LaTeX, or in Word format if prepared with Word). You can also upload the cover letter and any supplementary material (optional). Also, it is mandatory to provide a "Declaration of competing interests" statement. This can be done by either checking

the box "I confirm that no authors (...)" or by uploading a file with the statement (in case there are competing interests to declare), with the appropriate selection in the dropdown menu.

**Upload your required files**

These are the required files. You can read more about upload requirements in the instructions.

- Manuscript  ⚠ Upload file
- Declaration of competing interests  ⊘ Confirmed

Use our declaration of interest tool ↗ to generate and download your Word file before uploading it here. The tool also explains what you are required to declare.

Or confirm that there are no competing interests.

☑ I confirm that no authors of this manuscript have any competing financial or non-financial interests, currently or previously, including serving in an editorial capacity for the journal we are submitting to.

Choose file type to upload

| Manuscript |

**Step 6**: After uploading the files, you will be asked to provide the title and abstract of your manuscript, as well as the names and affiliations of the authors. You will also be asked to select the appropriate subject areas for your manuscript. The process then will continue as usual in submissions to a journal. For reference, the next steps are illustrated in the screenshots below.

✓ Choose your article type

✓ Upload your submission files

③ **Check or add your title, abstract and keywords**

④ Check or add your author details

⑤ Decide if you want to publish open access

⑥ Oppose reviewers

⑦ Select your classifications

⑧ Provide additional information

⑨ Review and submit
